

The SFM day

Monday 19th of October 2015

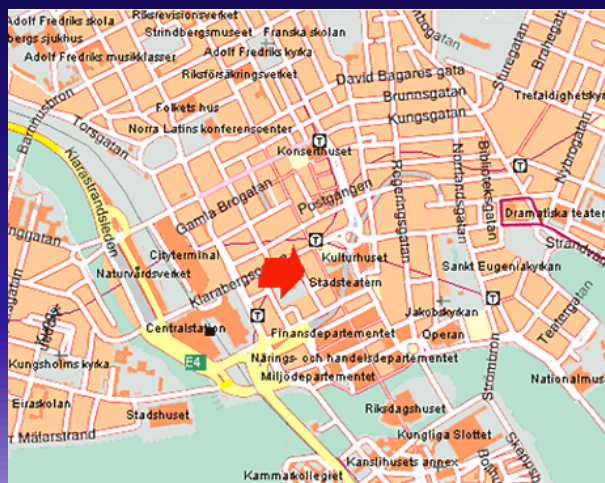

Welcome to a day of Microbiology

Svenska Läkaresällskapet's hus, Stockholm, October 19th 9.30-16.30

The Swedish Society for Microbiology (SFM) is an organization that supports research in microbiology. SFM welcomes microbiology researchers from all disciplines to a one-day meeting in order to promote scientific interactions. Abstracts for short presentations or posters will be selected mainly from junior researchers but all contributions are welcome.

Program

9.00-9.30	Registration, coffee & sandwich
9.30-9.45	Welcome by the SFM Chairperson
9.45-10.30	Invited speaker
10.30-10.45	Break
10.45-12.00	Short presentations selected from abstracts
12.00-13.00	Lunch
13.00-14.20	Invited speaker and short presentations
14.20-15.00	Coffee & cake
15.00-16.30	Short presentations selected from abstracts
18.00	Optional dinner (200 sek)

SFM members participate for free.

For more information about SFM and information about registration as SFM member: www.mikrobiologi.net
