

The 3rd SFM day

Tuesday 3rd of October 2017

Welcome to a day of Microbiology

Svenska Läkaresällskapetets hus, Klara Östra kyrkogata 10, Stockholm
October 3rd 9.00-17.00

The Swedish Society for Microbiology (SFM) is an organization that supports research in microbiology. SFM welcomes microbiology researchers from all disciplines to a one-day meeting in order to promote scientific interactions. Abstracts for short presentations or posters will be selected mainly from junior researchers but all contributions are welcome.

Program

9.00-9.10	Welcome and introduction SFM
9.10-9.50	Key note: Professor Gerhart Wagner, Uppsala University
9.50-10.30	Short presentations selected from abstracts
10.30-10.50	Coffee
